

Parks and Squares

The KMC Parks & Squares Department has taken numerous initiatives in the past few years for the beautification of the city and for providing citizens with better, modern and aesthetically designed public places. The table below highlights some of the important achievements:

	Situation in 2004-05	Achievements over 2005-09
Creation of new parks	There were 456 parks in the city	- The number of parks has gone up to 652 with the creation of a large number of parks. - See Annexure for list of few notable parks created - Four new parks are planned along Canal West Road, Galiff Street and Canal East Road
Upgradation / enlargement / renovation of existing parks	-	- KMC has undertaken upgradation / partial repair / renovation of around 450 parks and complete renovation of around 80 parks. - See Annexure for list of few Notable repair / renovations /upgradations completed as well as projects currently taken up
Aforestation Initiatives		- From 2006, the Parks & Squares Department started distributing saplings among the citizens free of cost through environment awareness programmes organized in different boroughs - Extensive tree planting was undertaken for a 3 km stretch along both banks of the canal from EM Bypass to Dhapa Dumping Ground
Other Initiatives		- Fencing work with plantation along banks of Beliaghata Canal - Fencing work around Sukanta Krirangan (Laha Colony Math) - Beautification work has been taken up along Chaulpatti Road from junction of EM Bypass to Rani Rashmani Bazar
PPP Projects	Maintenance/Creation of Parks was handled only by KMC	- Maintenance of Citizen's Park (now Mohar Kunja) was handed over to a private company with experience in horticulture CITIZEN'S PARK - Under "Mission Beautification" Programme, two beautiful traffic islands have been inaugurated at

		Phulbagan and in front of Tollygunge Tram Depot. One other boulevard is going to be inaugurated soon in front of Jadavpur P.S • Involvement of private organizations/ NGOs / clubs, etc has led to beautification of parks / islands / roadside gardens, etc and at the same time augmented KMC revenue.
Procurement of Power Saws		• Power Saws have been procured after the unprecedented Aila experience, for faster clearance of trees etc in the aftermath of such natural disasters

Accolades for KMC Parks & Squares Department

KMC Parks & Squares Department has a long history of going off with top awards at different competitions in flower shows, etc. Between 2005 and 2009 as well, KMC has continued with that tradition and has received top awards every year in different flower shows and competitions organized by Calcutta High Court, Bidhan Sabha, Agri-horticultural Society and other municipalities
